Pure Kauai, Kauai – Vacations have always had a way of being transformative if only by offering deep relaxation, increased vitality and extended pleasure. If you're ready to take your vacation to the next level then you should know about Pure Kauai.

Owner Phil Jones has assembled a team of top trainers, healers, coaches, and chefs to offer the ultimate in customized health and fitness vacations in the most pristine location on the planet! The Pure Kauai team will work with you to create and co-design your vacation so that it accomplishes the personal transformation that is your goal whether it is a new level of fitness, a healthier lifestyle or the exciting adventure of a lifetime. With expert help in the planning and carrying out of activities for the perfect fitness vacation, spa retreat or adventure travel, the possibilities are endless and what you take home is not just a photo album of memories but a "transformed you" ready to launch a whole new life!

One small example: if you are hoping to change your eating habits the Pure Kauai chefs don't just serve you the "right" food – they teach you how to cook it! It is this level of engagement with their guests (whether hiking, surfing, paddling, receiving expert yoga, martial arts or Pilates instruction; or benefiting from body work of all kinds) offered in the best island accommodations from luxury hotels to beach front vacation homes, that distinguishes the Pure Kauai experience from the ordinary vacation. Check your priority list. If YOU are finally showing up at the top of your list, reward yourself with the ultimate in transformative Hawaiian vacations – Pure Kauai.
